Sir:

**COMBINED AMENDMENT**  
**AND REQUEST FOR DRAWING CHANGE APPROVAL**

In response to the non-final Official Action currently outstanding in the above-identified case, Applicant respectfully requests that the subject application be amended as follows.

Applicant: N. Yasunishi, et al  
U.S.S.N.: 09/748,502

**REQUEST FOR DRAWING CHANGE APPROVAL**

In the currently outstanding Official Action in the above-identified application the Examiner has objected to Figures 14A, 14B, 14C and 15 on the basis that since only that which is old is shown in those Figures they each should be designated by a legend such as -- PRIOR ART --.

In response to the Examiner's objection, Applicant proposes that Figures 14A, 14B, 14C and 15 of the present application be amended so as to each include the legend -- CONVENTIONAL ART -- as shown in red on the attached photocopies thereof. Applicant also is submitting concurrently herewith new sheets of Formal Drawing containing Figures 14A, 14B, 14C and 15 respectively wherein the above-proposed change has been made.

It is respectfully requested that the Examiner approve the foregoing proposed changes to Figures 14A, 14B, 14C and 15, and that the new drawings submitted concurrently herewith be granted entry into this application in substitution for the sheets of drawing as filed.
